domi

Ana is moving to Bucharest.

An example move.

domi

She needs affordable rent and compatible housemates.

Cost · move timing · household fit.

domi

Early conversations shaped the flow.

Concept feedback; customer and payment test next.

domi

DOMI brings homes, people and planning together.

Search · save · group · plan a viewing.

domi

Begin with adult student movers in Bucharest.

Pilot hypothesis: one local community.

domi

Proposed model

Renters search free. Operators pay monthly.

Qualified viewing requests, with a human handoff.

domi

The DOMI team built the first renter journey.

Next: test the paid operator workflow.

domi

Help us recruit one student group and one operator.
